WELL CHECK ASSESSMENTS

Support Your Workforce with NEAP Well Checks

Empower your employees to prioritize their wellbeing with NEAP Well Checks—a proactive, one-on-one service designed to strengthen overall health, resilience, and workplace performance.

NEAP Well Checks provide employees with a confidential 15 to 20 minute session with an EAP counselor, offering a brief, personalized assessment across **physical, social, psychological, and professional health.**

How It Works

- Choose virtual or onsite delivery of well checks
- NEAP creates a dedicated scheduling link
- Employees self-schedule confidential appointments
- NEAP clinicians and care coordinators conduct sessions
- Employees receive personalized guidance and next steps

Why Organizations Offer Well Checks

- Increase awareness and utilization of EAP services
- Provide proactive support before challenges escalate
- Strengthen employee resilience and wellbeing
- Demonstrate a visible commitment to employee care
- Offer convenient, one-on-one support access
- Enhance existing wellness and engagement initiatives

NEAP handles scheduling, coordination, and delivery—making implementation simple for your organization.

Let's create a customized consultation experience for your workforce.
