

Outline

- Categories are FREE to enter
- One entry per category only. Multiple entries in the same category are not allowed and will be disqualified, with the NG HQ team picking just one entry to be submitted.
- We are actively encouraging you to enter for more than one award if the category is relevant to the business. Every entry MUST be different, any duplications will be disqualified.
- Please keep the entry relevant to the Group.
- The period covered for the awards entries is between 1st January 2024 and 31st December 2024.
- Written submissions should not exceed 500 words; video entries should be no more than 2-minutes in length. You can submit both a written and video entry for the same category.
- Written entries should be submitted in pdf or word document, videos should be sent via a link, ideally YouTube.
- Network Group reserves the right to move an entry to another category if the HQ Team see fit, and to drop categories that are not adequately entered.
- You can nominate another company in any of the other categories where applicable
- You do not have to meet every single criteria listed, however you will likely be scored higher for accurately meeting more criteria.
- Each nomination will be reviewed by HQ team, with a supporting comment including facts and figures where required to supplement the entry and provide additional context.

Entries must be submitted to awards@nbg.co.uk by 5pm Friday 28th February 2025. Shortlist Announced – 14th March.
