

We've created a dental plan that works better than traditional insurance.

Lakeview Dental has developed a dental plan for our patients who do not have access to or can not afford a dental insurance policy. Dental care is an integral part of your overall health and we want to support your efforts to maintain proper oral care. This plan is not dental insurance, but it offers a number of great members-only benefits that will allow you and your family to maintain oral health for years to come!

## Lakeview Dental Membership Plan Starts at only \$440
