

Entity Formation

The Issue

Once the decisions have been made around structure, there is the usual expectation that formation and related matters can be expedited, efficiently and in accordance with instructions. Delays can be frustrating and could be costly.

What we do for you

Our professionals and support team can quickly attend to the establishment of necessary structures. This includes -

- a. Incorporation of companies, including all documentation for consent forms, share certificates, company minutes and relevant ASIC forms.
- b. If necessary, special changes to the Company Constitution can be attended to.
- c. Establishment of trusts – discretionary, unit and special trusts can be formed, including establishment minutes, unit certificates where applicable, consent forms, new trustee company when required.
- d. Preferred entity names can be used, if not already registered by other parties.
- e. Stamping of documents can be attended to, where required.
- f. Attending to ATO registration, including TFN and ABN applications.

Before you set off in your new venture, you may wish to also utilise our Cloud Accounting services so that we can also have accounting file ready to go, or Better Bookkeeping services so that your team is on track.
