THE WESLEY EXPERIENCE

WELCOME TO WESLEY

Founded in 1917, Wesley is a residential college that has been providing young adults with an enriching campus experience for over 100 years. Up to 260 full-time undergraduate students at the University of Sydney call Wesley their home away from home.

The first of the University's colleges to become co-educational, we are a diverse and close-knit community and respecting and supporting each other is at the heart of our values. More than just a room on campus, we are an all-inclusive experience where you will develop lifelong friendships in an environment that encourages, challenges and supports you.

AN INCLUSIVE COMMUNITY UNDER ONE ROOF

Live amongst a vibrant community of well-rounded students. Located within our heritage building, our rooms vary in size and are either contemporary or traditional. All rooms are single occupancy, and you have the option to request a room with shared bathroom facilities or a room with an ensuite.

We are conveniently located at the heart of the Camperdown campus, just a few minutes' walk from your lectures, tutorials and other university facilities. With Newtown, Glebe and the CBD within easy reach, and public transport connections close by, you are never too far from the best of Sydney.
