Inwood, NY | (516) 503-6922 | Rhiannon.Super@gmail.com | rhiannonsuper.com

INTRODUCTION

I'm Rhiannon (Rhi) Super, a UI/UX designer passionate about creating interactive, story-driven experiences that engage and inspire users. With a background in product design, multimedia production, and teaching, I bring a balance of creativity, technical skill, and collaboration to every project. I specialize in user-centered design, practical problem-solving, visual storytelling, and cross-functional teamwork, with interests in gaming and interactive media.

EXPERIENCE

Adjunct Professor, New York University, Brooklyn, NY Aug. 2023 – Present

- Managed grades, schedules, and interactions for 120+ students and 10+ teaching assistants each semester.
- Trained teaching assistants to deliver lessons using the lean startup method and design thinking process.
- Led weekly meetings to assure confidence in the content itself and how to solve educational, professional, and interpersonal conflicts.

Vice President of Product Design, Pupil, New York, NY Jan. 2023 – Jun. 2025

- Led a team of designers in preparing Pupil's MVP for launch.
- Collaborated with the engineering department to smoothly translate the prototype into a functional application.
- Communicated with potential users to understand how the platform can support their needs.

Multimedia Designer, Lawrence Senior High School, Cedarhurst, NY Oct. 2015 – Feb. 2022

- Managed digital theatre production aspects including image, video, and animation.
- Designed stickers, posters, videos, and promotional materials for events and internal use.
- Introduced a cost-effective alternative to physical backdrops by developing a projection-based theatre system.

PROJECTS

UX Research, Eclipse Soundscapes (NASA), Brooklyn, NY Sept. 2022 – Nov. 2022

- Conducted interviews with potential users of the website to better accommodate their needs.
- Improved website accessibility for those above the age of 55.

ADDITIONAL ACTIVITIES

Executive Assistant, DK Productions, Inwood, NY Dec. 2019 – Aug. 2022

- Oversaw organization of events, concerts, and shows.
- Acted as a liaison between local establishments and local artists, chefs, and collectors.
- Promoted and advertised for small businesses and entrepreneurs.
