

Megan A. Ishibashi, DPM, FACFAS

Board-Certified Fellowship-Trained Foot and Ankle Surgeon

WORK EXPERIENCE

KIN Foot and Ankle

July 2025

Fellowship-Trained Foot and Ankle Surgeon/Podiatrist; Los Angeles, California

- Private practice serving all foot and ankle pathology including minimally invasive foot and ankle surgery, regenerative medicine, sports medicine, foot and ankle trauma, forefoot, rearfoot and ankle reconstruction, and limb salvage.

Sutter Health - Palo Alto Medical Foundation

September 2022-July 2025

Fellowship-Trained Foot and Ankle Surgeon/Podiatrist, Division of Orthopedics & Podiatry; San Carlos & Palo Alto, California

- Shareholder within a 1000+ physician-owned multi-specialty group serving all foot and ankle pathology within the Bay Area including forefoot, rearfoot and ankle reconstruction, limb salvage, sports medicine, foot and ankle trauma.

ACADEMIC TEACHING & LECTURES

California School of Podiatric Medicine, Samuel Merritt University

Invited Lecturer (Alma Mater); Oakland, California

- Delivered two academic lectures to podiatric medical students:
 - *Pediatric Foot and Ankle Fractures* – April 2024
 - *Soft Tissue Tumors and Nerve Surgery of the Foot and Ankle* – October 2024

POST-GRADUATE TRAINING

Silicon Valley Foot and Ankle Reconstruction Fellowship

August 2021-July 2022

Fellow - Palo Alto Medical Foundation, Division of Orthopedics & Podiatry; Mountain View, California

Program Director: Meagan Jennings, DPM

- One-year fellowship with an emphasis on complex rearfoot and ankle reconstruction including primary and revision total ankle replacement, acute trauma, arthroscopy, sports medicine, revision surgery, as well as complex foot pathology.

Kaiser San Francisco Bay Area Foot & Ankle Residency Program

July 2018-June 2021

Chief Resident - Kaiser Foundation Hospitals – San Francisco, Oakland, Walnut Creek, Antioch, California

Program Director: Christy King, DPM

- Three-year comprehensive Podiatric Medicine and Surgery Program with rearfoot/ankle surgery. Four month rotations in foot and ankle surgery at the above locations. High volume and diversity of pathology with emphasis on trauma, foot and ankle reconstruction, limb salvage and pediatrics.
- Included 14 months of primary orthopedic call responsibilities (Kaiser Oakland & Kaiser San Francisco), as well as rotations in: Anesthesia, Behavioral Medicine, Emergency Medicine, General Surgery, Infectious Disease, Internal Medicine, Pain Management, Pathology, Radiology, and Vascular Surgery.
