Item No. 4: PORT SUPERINTENDENTS REPORT: Frank Vasquez, Port Superintendent reported on the following:

Water: Brad from Dunham Engineering informed the board that repairs will be made to tank 2 due to some defiances. We are holding on to the retainer and the last payment until work is completed.

A fire hydrant was installed next to the Get-Away-Adventure lodge.

The water tower has over filled due to copper wiring failing and the tower is being filled manually, we have contacted VTX1 but they are unable to upgrade us to fiber optic due to the district having

no service/physical address. We have been in contact with 911 and as of yesterday we were issued an address. VTX1 has been provided with the service address.

Sewer: None.

Garbage: None.
