

Chapter 02 | Policies & Procedures

02.16 Restricted Use of Policies Introduction

This Section is intended to provide Roadside Facilities Service Providers with appropriate Wisconsin Statutes and Wisconsin Department of Transportation guidelines regarding the public use of Department rest areas, seasonal waysides, and other roadside facilities. It is necessary to ensure that all Department-operated roadside facilities always provide a safe environment for the traveling public.

If you have any questions about any of these policies or would like to recommend a section, please contact Kapur.
