

## Chapter 08 | Flag Information

### 08.03 Specialty Flag Information

Through an Executive Order, the governor of Wisconsin can mandate that specialty flags be flown at State sites. If this is the case, WisDOT BHM will notify the Program Administrator, who will then inform all rest area Service Providers. The email to rest area Service Providers will include a copy of the Executive Order requesting it be displayed inside the building during the time the specialty flag is flown.

All rest areas should fly their specialty flags according to the flag rules found at:
