Coach Vikram

Lead Facilitator

📍 Goa, India

 [/CoachVikram](#)

With over two decades of experience coaching CEOs, business heads, and CXOs across Fortune 500 companies, Vikram blends behavioral science with boardroom realism.

As Lead Facilitator, he anchors the Masterclass experience where he's known for shifting mindsets in record time. His facilitation blends sharp business acumen with deep behavioural insight, helping leaders transform how they think, speak, and show up in high-stakes conversations.

Vikram doesn't just teach presence—he activates it. With precision, he helps leaders uncover blind spots, rewire limiting narratives, and show up with the conviction their roles demand. His goal: to create a visible transformation in the shortest time while making it last far beyond the Masterclass.

Rajna Shetty

Analytics and Insights Lead

📍 Toronto, Canada

 [/RajnaShetty](#)

Over the last 15 years, Rajna has transformed executive presence from an abstract concept into tangible behaviors that can be measured and developed.

As a behavioral research expert, Rajna is the voice of science in the training room. She brings a sharp, data-driven approach to every leadership development journey.

Rajna is the driving force behind the Executive Presence Index. In the masterclass, she helps leaders decode their unique presence quotient with precision so they lead with greater influence. Rajna equips your leaders with the business intelligence that invites collaborations, builds trust, and inspires decision-making in the fastest time.

Aquiles Damiron

Curriculum & Experience Design Lead

 Portland, USA

 [/AquilesDamiron](#)

Aquiles is the custodian of end-to-end experience across every touchpoint of your Executive Presence journey.

He works closely with business sponsors to translate ambition into execution. With deep expertise in CX strategy, adult learning, and behavioural design, Aquiles curates every touchpoint from pre-program onboarding to post-session reinforcement through the Executive Presence App.

His role is to make sure your leaders don't just attend a great session but walk away transformed, and keep applying what they've learned when it counts.

★ Testimonials

"Vikram brings extraordinary flair and passion to a subject that is a hot topic: Executive Presence. I am floored by the way he coaches our senior leaders and unravels behaviors that exude presence. He not only an SME in this space but also a patient coach. Vikram epitomizes Executive Presence!"

Gayathri Ramamurthy

India Learning Head, Capgemini

His approach helped me recognise where and what to focus on to enable my development. Coach also created a supportive community and connection point following the workshop to ensure we put our insights into practice. I'd love the opportunity to participate in another learning experience with Coach again."

Teresa Davis
