ASCENT II

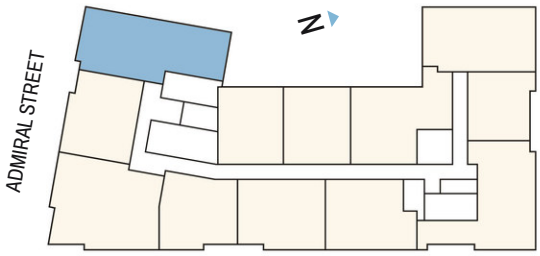

FLOORPLAN

3 BED | 2 BATH | 971 SF

1 RESIDENCE

ABOUT THE FLOORPLAN / Ascent II brings the plan to the top floor. The primary bedroom has its own en-suite bath with a shower, while the other two bedrooms share a full hall bath with a tub, so mornings move without a line at the door. Every bedroom has its own closet and door. A kitchen island with seating faces the living room, with in-home laundry. Built for three roommates, a family, or a couple who wants a home office and a guest room.
