ANCHOR II

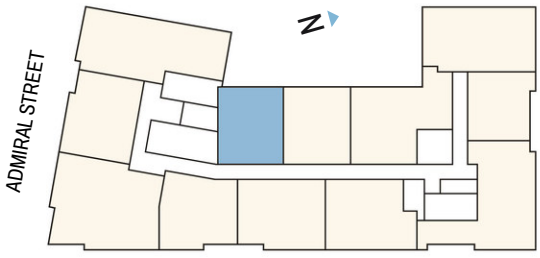

FLOORPLAN

1 BED+ | 1 BATH | 684 SF

1 RESIDENCE

ABOUT THE FLOORPLAN / Anchor II is the top-floor version of the plan, and it trades the second bedroom for a den. The den sits behind its own door with a closet, ready for a desk, a guest bed, or a bike, so work and gear stay out of the living room. The bedroom has its own closet, the full bath sits between the two rooms, and laundry is in the home. A kitchen island with seating and a separate dining area keep the main room open for everyday life.
