SUMMIT I

ABOUT THE FLOORPLAN / Summit I sets the primary bedroom and its en-suite bath apart from the other two bedrooms, which share a hall bath with a tub across the plan. That separation gives the primary real privacy while the other rooms work as bedrooms, an office, or a guest room. A kitchen island and a separate dining area anchor a generous living room, with in-home laundry. A good fit for a household that has outgrown a two-bedroom.
