LATITUDE II

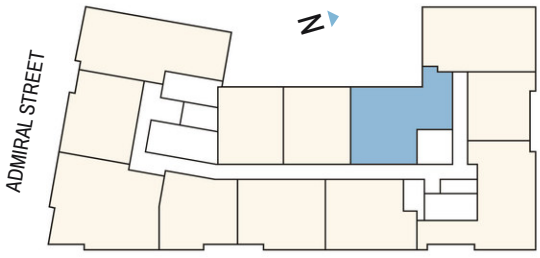

FLOORPLAN

3 BED | 2 BATH | 933 SF

1 RESIDENCE

ABOUT THE FLOORPLAN / Latitude II brings the plan to the top floor. One bedroom has its own en-suite bath with a shower, while the hall bath has a tub and serves the other two bedrooms, each behind its own door with a closet. The smallest of the three works as well for an office or a nursery as it does for a third resident. A kitchen island with seating anchors the living area, with in-home laundry, for roommates, a family, or a couple.
