BEACON I

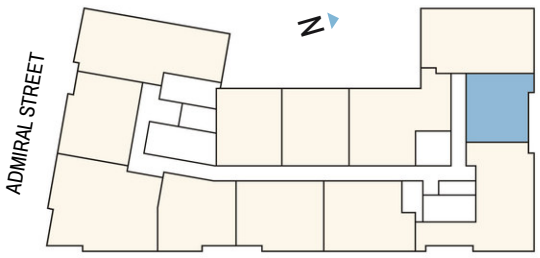

FLOORPLAN

1 BED | 1 BATH | 591 – 592 SF

3 RESIDENCES

ABOUT THE FLOORPLAN / Beacon I is AERO's most efficient plan, laid out so every foot is used. A kitchen island with a sink and seating anchors the open living area, with the range, refrigerator, and dishwasher along the wall behind it. The bedroom sits behind its own door with a full closet, and the bath and laundry closet are tucked off the entry, so the main room stays clear. A well-sized home for one.
