SUMMIT II

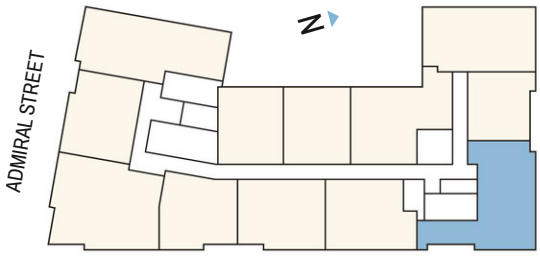

FLOORPLAN

3 BED | 2 BATH | 1,001 SF

1 RESIDENCE

ABOUT THE FLOORPLAN / Summit II brings the plan to the top floor, with the primary bedroom and its en-suite bath set apart from the other two bedrooms, which share a hall bath with a tub. That separation gives the primary real privacy while the other rooms work as bedrooms, an office, or a guest room. A kitchen island with seating and a separate dining area anchor the living room, with in-home laundry, for a household that has outgrown a two-bedroom.
