1 RESIDENCE

ABOUT THE FLOORPLAN / Vantage II brings AERO's most efficient three-bedroom to the top floor, fitting three bedrooms into a compact footprint. Each bedroom has its own closet and door, and the two full baths split the load: one with a tub, one with a shower. The kitchen sits at the center of the plan between the bedrooms and the living and dining area, with in-home laundry. A practical choice for three roommates, or a household that needs more rooms.
