HELM II

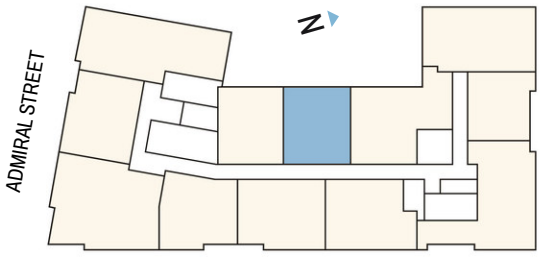

FLOORPLAN

1 BED+ | 1 BATH | 689 SF

1 RESIDENCE

ABOUT THE FLOORPLAN / Helm II is the top-floor version of the plan, and it trades the second bedroom for a den. The den sits behind its own door with a closet, a quiet room for a home office, a guest bed, or a bike that would otherwise crowd the living room. The bedroom and den sit on either side of the full bath, and laundry is in the home. A kitchen island with seating and a separate dining area keep the main room open for anyone who works from home.
