About Us

More than 20 years of experience

We are among the leading providers of airline tickets in the B2B wholesale market. Our customer base includes travel agencies, tour operators, and online travel portals, to whom we provide airline tickets from around 170 airlines as well as cross-market travel products.

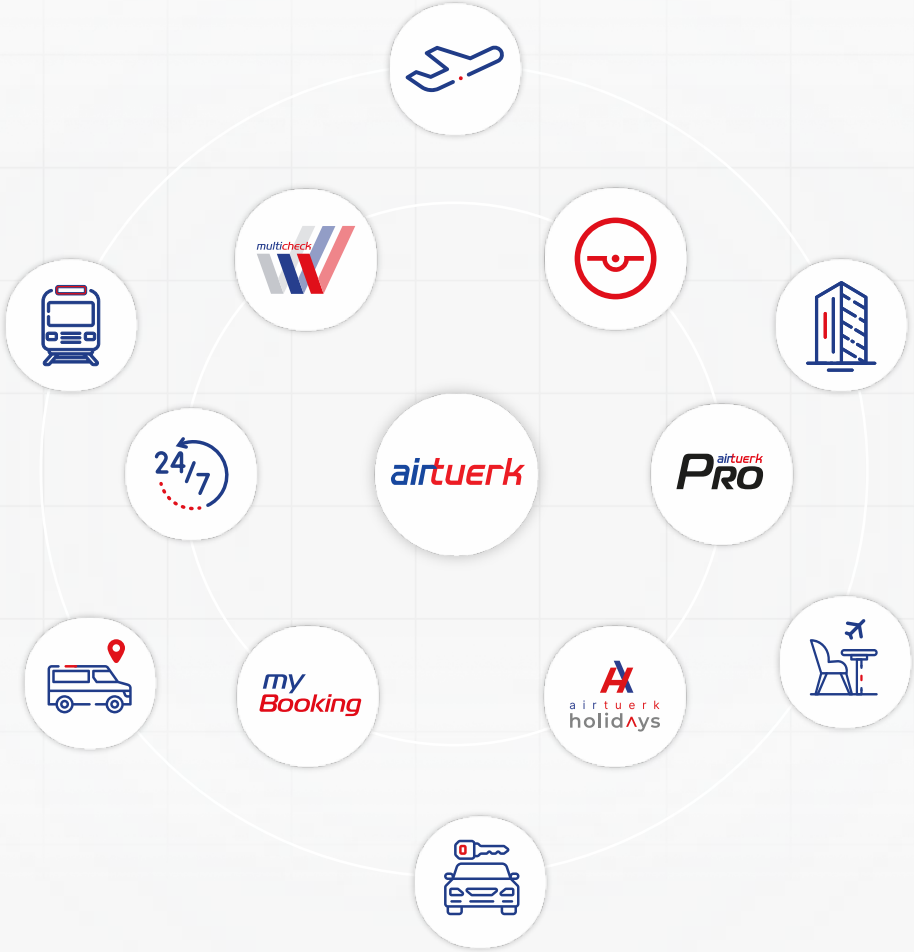

Headquartered in Frankfurt

A team of 60+ building and supporting travel platforms that 1,200+ agencies across Europe rely on — right from the Westhafen district.

airtuerk

Our IBEs and Tools

We offer a wide range of products and booking tools that make the day-to-day work of our travel agency partners and tour operators easier.

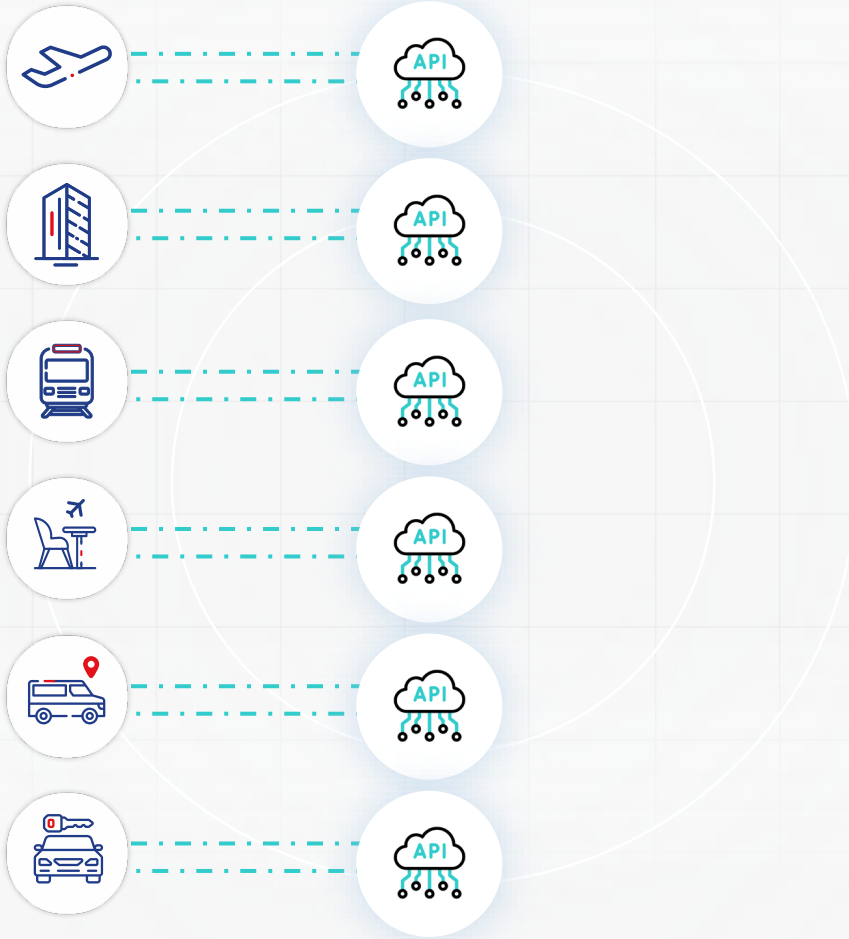

airtuerk

API integration

Our content — right in your system.

We offer a wide range of products and booking tools that make the day-to-day work of our travel agency partners and tour operators easier.

Our Sales Channels

We provide flight content and cross-market travel products to three distinct customer segments — each with tailored tools and dedicated support.

Travel agencies

Extranet access via our IBEs. Book flights, SSRs, hotels, rental cars and more — no GDS knowledge required.

Tour operators

Flight content supplied to TUI, DER Touristik, FTI and all major German operators. Around the clock.

OTAs / Internet portals

Automated flight content delivery via API. Seamless integration into your existing booking environment.

Our mission

IBE optimization

Global flight offering, top conditions

365° Support

Multilingual, available 24/7

Cross-market products

Flights, hotels, rental cars, transfers

Flight content & IBEs

01

Charter Content

Access to leisure routes + stable allotments

02

Full-Charter Content

Maximum control over yield & availability

03

NDC & Direct Content

Direct access to airlines, fares & ancillaries

04

Scheduled Flight Content

Worldwide scheduled-flight coverage & daily updated pricing

05

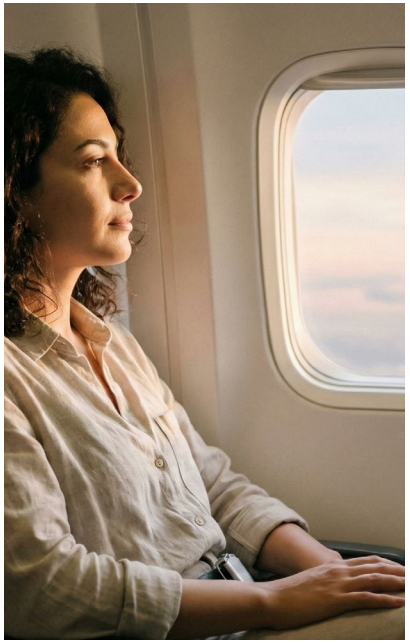

Leftover Seats Sourcing

Identify unused capacity and market remaining seats

Cross Selling

With a single search query, you receive results from Amadeus, Sabre and other GDS systems, airline direct connections as well as low-cost providers.

Flights and associated SSRs

Ancillaries such as seats, meals and baggage can be booked with one click.

Package tours

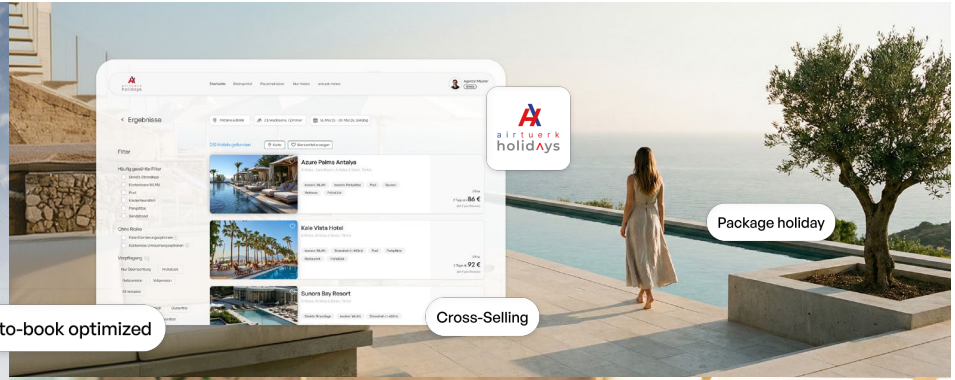

Book worldwide package tours from all top tour operators — easily, quickly and without red tape.

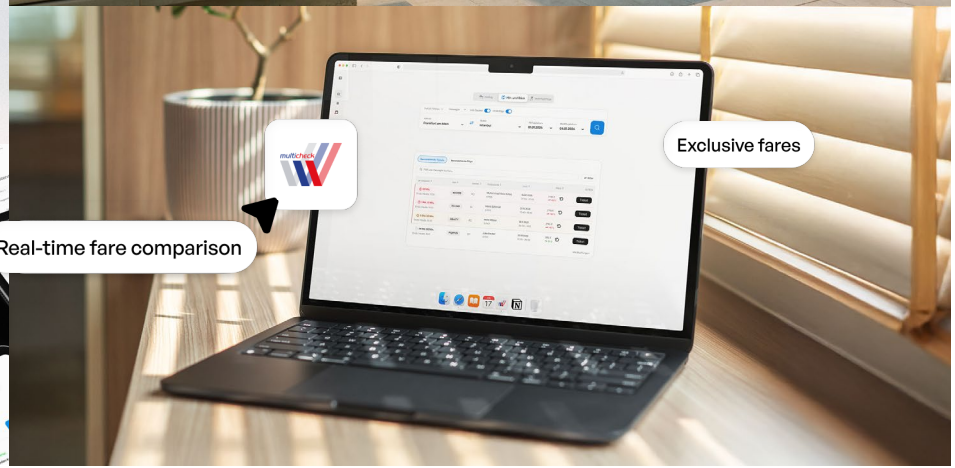

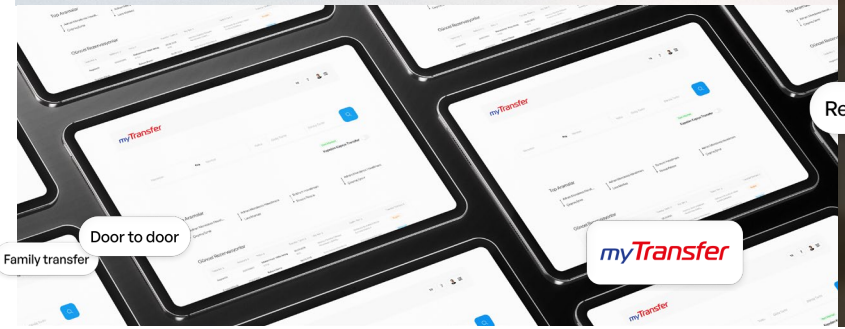

Tourism products and services

Hotels, rental cars, transfers and excursions — within the same booking flow.
