

Attention: Important Information

As of 10/1/2025

The U.S. Government has begun a shutdown ***until Congress can come to an agreement on funding.***

As a result, the National Labor Relations Board (NLRB) has ceased operations until further notice.

The temporary closure of the NLRB may impact the date and time of LIJ's RN union election.

At this time, an election date *cannot* be set until the shutdown ends and the NLRB reopens.

When we have more information, we will be sure to share it through the appropriate communications channels.

Please reach out to your leaders with any questions.
