

# You Can't Take a Union for a Test Drive

**Unions don't have to run for re-election like politicians do, even when you're the one paying dues.**

If NYSNA is voted in, it can be harder than you realize to vote them out.

**Decertifying a union takes a lot of work. Under federal labor law, you wouldn't even be able to try for**

- At least **one year** after the union is elected
- AND **up to three additional years** while a union contract is in place

**Would you buy a car without taking it for a test drive?**

Unfortunately, you don't have that choice when a union wants to represent you.

**Vote NO to NYSNA**
