

Undecided?

Then
please
vote NO

And you can take
12 more months to
think it through

You may feel rushed, pressured, or maybe
you're trying to gather all the information

Getting rid of NYSNA isn't as easy as "if I don't
like it, I can just vote them out"

A no vote now isn't saying no forever — it's just
saying, "I want more time to decide"

Every nurse should vote

The election will be decided by a majority of
those who show up and vote.

If you don't vote, you're allowing others to
make that decision for you. Not voting is the
same as voting for the union.
