

disclosures

[stock ticker] ("A", "Corporation").

Investing involves risk, including loss of capital.

This presentation contains forward-looking information and statements relating to the business, performance, and items that may be interpreted to impact the results of the Corporation and/or the industry and markets in which the Corporation operates. Forward-looking statements are statements that are not historical facts and may be identified by words such as "aims", "anticipates", "believes", "estimates", "expects", "foresees", "intends", "plans", "predicts", "projects", "targets", and similar expressions. Such forward-looking statements are based on current expectations, estimates, and projections, reflect current views concerning future events, and are subject to risks, uncertainties, and assumptions, and may be subject to change without notice. Forward-looking statements are not guaranteeing any future performance, and risks, uncertainties, and other important factors could cause the actual business, performance, results, or the industry and markets in which the Corporation operates in, to differ materially from the statements expressed or implied in this presentation by such forward looking statements. No representation is made that any of these forward-looking statements or forecasts will come to pass or that any forecasted performance, capacities, or results will be achieved, and you are cautioned not to place any undue reliance on any forward-looking statements.

Purchase price drives investor alignment to reward throughout market environments, generating excess return per unit of risk across the risk-reward spectrum. Risk-adjusted returns analysis (excess return per unit of risk) based on certain assumptions subject to change without notice. No assurances can be given that these opportunities will be available to the Corporation or that, if available, the Corporation will elect to make an investment in any such opportunity.

This presentation is for informational purposes only and not intended to and does not constitute an offer to subscribe for, buy or sell, the solicitation of an offer to subscribe for, buy or sell or an invitation to subscribe for, buy or sell any securities, products or services, including interests in the funds, vehicles or accounts sponsored or managed by the Corporation, any capital markets services offered by the Corporation, nor shall there be any sale, issuance or transfer of securities in any jurisdiction in contravention of applicable law.

This presentation is not complete and the information contained herein may change at any time without notice. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future developments or otherwise, except as required by applicable law.
