Where Has Your Teacher Played This Month?

Star Student of the Month!

Brecklyn Staed

"Brecklyn is a joy to have in class. She has been able to master songs she initially said were tricky. She is getting better at finding notes on the piano without my help and has come up with ways to remember where they are. She has mastered drawing treble clefs and bass clefs. She is progressing well in her theory and lesson book. And I can tell she practices at home. Keep up the good work, Brecklyn!"
