

Early bird Christmas gifting

Don't you wish you could be one of those people that has their Christmas shopping done by the end of November so you can enjoy the December festivities without a care in the world? Well now you can! Our early bird Christmas gift guide has suggestions for everybody, so you can order online and sit back and relax until it's time to wrap!

FORERUNNER 965 WATCH

Garmin: £599.99

If your significant other would prefer a watch that does more than tell the time, there are few better than the Forerunner 965 from Garmin. Perfect for tracking their distance runs, their HIIT runs, their heartrate runs and their speed runs, this watch comes with a ton of extra features they never knew they needed.
