

F1® Arcade Birmingham launches breakfast menu

F1® Arcade, the official Formula 1® experience bar, located in Paradise Birmingham's Chamberlain Square, have launched a brand-new weekend breakfast menu, that you can enjoy every Saturday and Sunday between 10am – 12pm.

Their globally inspired breakfast items include Fluffy Buttermilk Pancakes, that can be enjoyed with either fresh fruit, or their infamous Dynamite Chicken.

The F1® Arcade Breakfast Folded Flatbread that showcases quality ingredients from Burford Brown eggs to Cumberland sausages. Spiced Avocado Smash & Poached Eggs dish, plus a North African style Shakshuka.

Or if you're wanting something lighter to snack on during a Watch Party, the venue will also be offering a Sweet Lemon Muffin with a choice of any hot drink for only £8.75.

And because it's always 5' o'clock somewhere, it would be rude for there not to be new additions to their cocktail list too! Whether you're kick-starting your weekend with a brunch date, or setting up for an afternoon Watch Party, you'll be able to sip on either their new Sweet Holy Mary (the MOTHER of all bloody Marys) or Breakfast Mimosa (breakfast in a champagne flute) all before the drivers have even left the grid.
