1 / FRAGRANCE DU BOIS

SIRÈNE EAU DE PARFUM 75ML

£235.00

Sirène is the latest addition to Fragrance Du Bois collection and the first in the collection which has been designed for women. Since launching earlier this year, it has been hugely popular with our customers. You immediately notice the black cherry, which then softens into a very alluring, fruity and woody scent. It comes in a stunning, embellished bottle and elegant gift box which adds to the sense of luxury.

2 / ELLA K

MUSC K EAU DE PARFUM 100ML

£223.00

Every time I use this perfume, someone always asks me what I'm wearing. It stays on your skin for a long time and smells fantastic. It has a clean and salty musk scent with notes of pink pepper, sand lily, Orris oil and cedarwood.

3 / MAISON MARGIELA

REPLICA BY THE FIREPLACE EAU DE TOILETTE 100ML

£125.00

From Maison Margiela's Replica collection, this Eau de Toilette has top notes of pink pepper and clove, with warming notes of cashmeran and orange flower. Imagine sitting by a crackling fire on a cold winter night, sipping warm mulled wine. This perfume captures that cozy, autumn-winter feeling.

4 / JEROBOAM

INSULO EAU DE EXTRAIT 30ML

£100.00

This unisex fragrance by Jeroboam has been my go-to evening fragrance for years. Insulo has top notes of vanilla, jasmine at the heart and the brand's signature blend of enigmatic musks at the base. The unique scent is so unforgettable and lasts for hours.

5 / NISHANE

HUNDRED SILENT WAYS EXTRAIT DE PARFUM 100ML

£285.00

The Istanbul-based perfume house has become one of the most celebrated niche fragrance brands in the world. Hundred Silent Ways is one of my all-time, go-to scents. The fruity notes, with bergamot and wood make it perfect for both day and night. It's also a great scent to layer throughout the day to make it stronger for the evening.

6 / DIOR

MISS DIOR EAU DE PARFUM 150ML

£179.00

This best-selling fragrance by Dior is a classic. It has a fresh and sensual floral scent making it very wearable and a great choice if you're purchasing as a gift for a loved one.
