

ROOFTOP *bars*

All we want is to sip cocktails in the sunshine whilst sitting in the lap of absolute luxury. We don't think that's too much to ask – do you? If you dream of the same thing, we bring you some of our favourite luxurious rooftop bars in the UK, so all you have to do now is work out which one to visit first!

Sky Lounge

LEEDS

For over 15 years, Sky Lounge has been the ultimate rooftop destination in Leeds, with a list of classic cocktails and bar favourites that will have you returning time and time again. The terrace is heated so you can sit long after the sun has set, enjoying the beauty of the Yorkshire skyline.

The Phoenix

STRATFORD UPON AVON

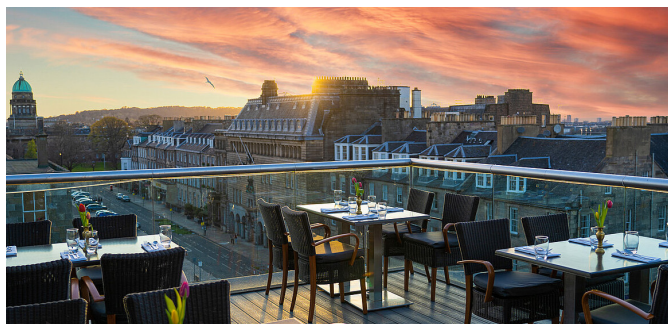

When you sit out on the rooftop terrace of the Phoenix in the sunshine, you really could be anywhere in the world. The holiday vibes are helped by the lush green surroundings and white decor, while exquisitely crafted cocktails and plentiful pizzas mean you'll never want to leave. And, if the sun does dip out of the sky, the indoor area is just as welcoming.

Epping Roof Garden

ESSEX

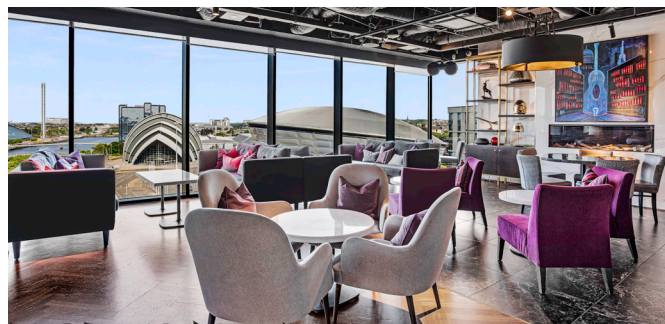

This floral delight is one of the most insta-worthy cocktail bars you can ever hope to visit. With cocktails crafted by expert mixologists and themed menus and attentive service from the staff, nothing is too much trouble for patrons of this bar.

Chaophraya

EDINBURGH

If you want luxurious surroundings in the Scottish capital, then you must visit Chaophraya. With decor heavily influenced by Thailand, you'll find Buddha figures a-plenty and earthy tones that help set a mood of tranquility. This rooftop wonder is actually a restaurant, but you have to try a Mai Thai while gazing out over the hustle and bustle of Edinburgh.

RED Sky Bar

GLASGOW

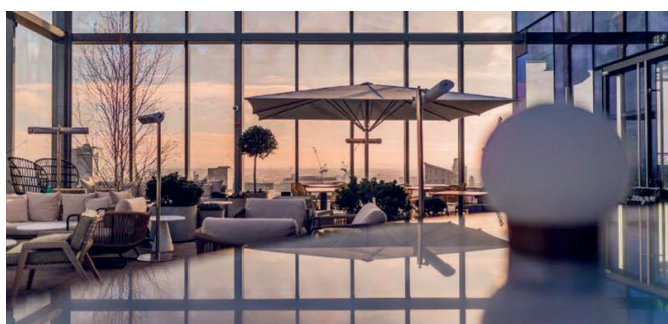

There's only one way to view the lights of Glasgow and that's from the dizzying heights of RED Sky Bar at Radisson RED Glasgow. With its rich dark wood decor and low lighting, it sets a romantic tone with some delicious cocktail options. When the weekend hits and the sun sets, the bar comes alive with live music from resident DJs bringing good tunes, good cocktails and good vibes!

Jin Bo Law

LONDON

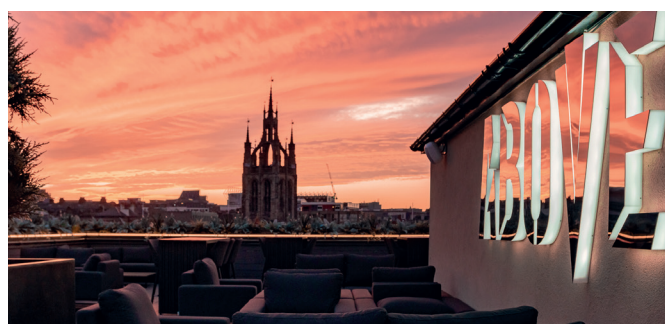

Of course, the most obvious place to look for luxurious rooftop bars is the City and Jin Bo Law does not disappoint. Beautifully decorated in marble and bronze furnishings, this decadent space gives you views out over all of London's most famous landmarks, including the Gherkin, the Shard and Tower Bridge. We recommend trying a Sichuan Fresh cocktail, made of tequila, peppercorn syrup, lime and basil, with a satisfying twist of pineapple for a fruity treat.

20 Stories

MANCHESTER

If you're looking for fancy comfort in Manchester, then you need to head to 20 Stories. Offering 360° views of the city, the vibe here is laidback luxury, with white furnishings and potted trees creating a natural canopy. There are outdoor fireplaces, ensuring you stay warm no matter what the weather is doing and a cocktail list that celebrates the diversity of Manchester.

Above

NEWCASTLE

Offering 360° views of Newcastle, Above is a real treat for cocktail enthusiasts. The decor is stunning, really adding to the chilled lounge atmosphere and the craft cocktails have to be tasted to be believed. You can also order light bites inspired by different places around the world.
