

Wedding Day

GIFT GUIDE

What do you buy the couple who already have everything they could ever want in each other? We've put together a luxury gift guide so you can navigate this year's wedding season with ease.

BISCUITEERS

1...

Wedding Bells Biscuit Tin

Surely the best way to start married life is with a really fancy box of biscuits? And these biscuits come with a cute keepsake box that can double up as a memory box of their big day. The wedding-themed biscuits include one heart-shaped design that can be personalised with the names of the happy couple, adding an extra special touch.

£49.95

THE WHITE COMPANY

2...

Luxury Wool Cashmere Throw

Perfect for the winter nights snuggled up on the sofa as they binge-watch their favourite Netflix show, this super-soft Luxury Wool Cashmere Throw will elevate their comfort levels. The stylish grey colour is modern and tasteful, ensuring it works with any style home, and it doubles up as a decorative feature on their marital couch.

£185

LE CREUSET

3...

Cast Iron Shallow Casserole

Every newlywed couple should have a Le Creuset casserole dish in their kitchen. These versatile cooking tools are perfect for meat, vegetables and almost any combination of the two! The heat-resistant knob makes serving easy while large handles make it easy to transport while wearing oven gloves. And it looks good in this gorgeous Chambray shade too!

£285

ANNABEL JAMES

5...

Silver-Plated Large Champagne Bath

What is a married couple to do with all the bottles of bubbly they will inevitably receive on their wedding day? Be the guest that gives them a solution – this beautiful Silver-Plated Large Champagne Bath holds up to four bottles of champagne comfortably and comes in a beautiful gift box, making it a much more special offering.

£139.95

HARVEYNICHOLS

7...

Chantecaille Flower Harmonizing Cream

Wish the happy couple a harmonious marriage with this beautiful Flower Harmonizing Cream from Chantecaille. When they stand side-by-side performing their skincare routine each evening, they can neutralise any stress they are feeling by reaching for the same pot and touching hands. Plus, it has special ingredients that help reduce inflammation and stimulate collagen production - a winner in everyone's eyes!

£110

DIPTIQUE PARIS

4...

Baies Hourglass Diffuser

When you're in love, time seems to stand still, so this hourglass diffuser is a beautiful way to celebrate that. And it smells incredible too, releasing a delicate berry fragrance throughout the day, turning the happy couple's marital home into an aromatic, fruity place to be! An ideal gift for summer weddings.

£152

COLDHARBOUR LIGHTS

8...

Feather Table Lamp

If the couple you are celebrating is a little more adventurous with their home design, then this Feather Table Lamp will fit in perfectly. Part of the Coldharbour Light's latest product launch, it is chic and unique, with a stand made of walnut wood and soft hen and goose feathers interspersed with vintage crystals. The effect is eye-catching and all-the-more powerful when the light is on.
