

# Mother's Day Gift Guide

She gave you life, so she deserves the very best on Mother's Day. If you're wondering what to get your mum this year, we've got some inspirational gifts for you to choose from!

FRAGRANCE DU BOIS Sirène Eau De Parfum 75ml, £235

HARVEY NICHOLS

Once she's got over the beauty of this parfum bottle (which is covered in sparkly Swarovski crystals and topped with a gold-plated cap – it really is stunning!), she'll adore the timeless sophistication of the fragrance. With bold notes of pink pepper and juicy cherries, she'll be the best-smelling mum this Mother's Day!

Gold Sycamore Necklace, £3,600

LUCY SYLVESTER

You can't go wrong with jewellery for mum and this gorgeous Gold Sycamore Necklace is a sure winner. Made of 18ct gold, it is an exact replica of a sycamore helicopter seed pod, measuring 5cm wide, making this a luxury connection to nature she'll love. It comes with a beautiful gold chain in your choice of 16cm or 18cm.

Nomad Black Leather Backpack, £355

CARV LONDON

For the mum that's always on the go, this simple, stylish backpack is perfect. The minimalist design is handmade from high quality, high provenance vegetable tanned leather and will sit comfortably on her back, keeping her valuables close, as she dashes about!

Georgian Scottish Sterling Silver Teapot, £4,950

AC SILVER

Treat your mum to some beautiful silverware this Mother's Day. We adore this Georgian Scottish Sterling Silver Teapot from AC Silver, which will add a real edge of luxury to her afternoon teas, and since every piece is special and unique, she will be delighted with any of their vintage items.

Cior 928 Prestige Watch, £2,750

NOMADIC WATCHES

The brief for this design was to create a watch that the founder's mother would wear. This elegant design comes in three different colourways, and there are two prestige options too, so you can choose the one that best suits her personality. With a stainless-steel case and flat anti-reflective sapphire crystal glass, this is a watch to admire.

Raindance Ring, £12,300

BOODLES

If your mum deserves something extra special, this beautiful ring from Boodles is just the thing! This stunning sparkling ring features brilliant cut diamonds set in 18 carat Single Mine Origin yellow gold. And it is so impressive, it's displayed in the Victoria and Albert museum's permanent jewellery exhibition.

## Mother's Day Gift Guide

2025

Olive Tree in White Pot, £320

### CLICK STYLE

If your mum loves plants but just can't seem to keep them alive, this Olive Tree could be the answer! Despite its realistic appearance, it is completely artificial, requiring no watering, no special sun position and no expensive plant food! She can place it wherever she likes in her home and then forget about it, until the admiring remarks come flooding in!

Club Matters English Country Garden Salad Servers, £42

### FORTNUM & MASON

The whole English Country Garden range at Fortnum & Mason's is adorable, but these salad servers are perfect for the mum who loves to host outdoor gatherings. A wonderful gift on their own or as part of the wider collection, you'll probably want to grab a pair for yourself too!

Cosi XL Olive Fire Lantern, £95

### RUMA

The warmer months are on their way, but in the meantime, if Mum wants to sit in her garden and relax with a glass of wine, she can keep the cold at bay with a Cosi Fire Lantern. These stylish heaters are ideal for indoor use too, providing a unique, localised heating solution when she doesn't want to heat the whole house. There are lots of different styles on the Ruma website, but this one is our favourite.

Enora® Air Cushion, £85

### ENORA®

If your mum is looking for a little more comfort in her life, this incredible air cushion could be the answer to her prayers. It uses medical-grade technology to ensure optimal weight distribution, so she feels comfortable and supported at home or in the office. It's lightweight, portable design makes it great for travel too and it comes in different colours, so you can choose the one that best matches her surroundings.

Rose D'amour® loose leaf tea, £24

### MARIAGE FRÈRE

And if your mum loves her tea, add a canister of Rose D'Amour to her gift. This beautiful floral blend is as pretty as it sounds, made up of a noble blue tea with golden liqueur, lightly scented with Damascus Rose. With 100g in each classical canister, this is a gift she can enjoy for many cups to come.
