

# EGG-STRASPECIAL EGGS THIS EASTER

Seems like we've only just finished the last of our Christmas chocolate, but already Easter is here to put a stop to any thoughts of healthy eating! If you feel like you need something a little more special for your Easter celebrations this year, we've found some of the most decadent designs on the market, and you won't be disappointed!

## 1 / DARK AND WHITE CHOCOLATE COFFEE AND VANILLA EASTER EGG

FORTNUM AND MASON

£35

Imagine an irresistible affogato in Easter egg form and you have an idea of just how heavenly this offering from Fortnum and Mason might taste! This creation is made from half dark chocolate piccadilly coffee and half white chocolate Madagascan vanilla to create an egg that will transport you to the Italian Rivera. This chocolate is single origin Colombian Luker and the experience is divine!

### 3 / LINDT GOLD BUNNY MILK CHOCOLATE 1KG

SELFRIDGES | £74.99

This might not be an Easter egg, but surely the season isn't complete without a Lindt Bunny and this is the most extravagant version of them all! You still get the same delicious Lindt chocolate wrapped in gold foil. You still get the cute signature bell. But everything is bigger and better, presented in a lovely clear package so you can see how impressive it is for yourself!

### 4 / THE GREAT EGG HAZELNUT AND SOURDOUGH GANACHE EASTER EGG

SELFRIDGES | £84.99

Incredible care and attention goes into the making of every great egg from Chocolarder's Cornwall atelier. The hand-crafting process takes 60 days from start to finish, using two varieties of single-origin cocoa bean from the Dominican Republic and Indonesia. The painstaking result is this gorgeous Easter egg with a thick hazelnut-chocolate wall lined with whipped hazelnut and sourdough ganache – heaven!

### 7 / GIANT MILK CHOCOLATE EASTER EGG

COCOBA | £225

When Cocoba unveiled their giant Easter egg last year, the media went crazy for the 4kg delight! Measuring 51cm tall, this is a centerpiece for your Easter table that you can share with the whole family! Made with high quality milk chocolate, this is the Easter egg of dreams, beautifully hand-decorated by Cocoba's talented chocolatiers. They meticulously pipe white, dark and milk chocolate onto each egg, so that each one is slightly unique and special. And it tastes so good, that it won't last long, despite its size!
