

MEET TONY & JAYSON EXPERTS IN WEST MIDLANDS PROPERTY

With over 30 years of combined experience, Tony Lune and Jayson Maver have established themselves as trusted experts in the Birmingham and West Midlands property market. From single-room house shares to multi-million-pound luxury homes, they provide a tailored service to meet the needs of landlords, tenants, buyers, and sellers alike.

Tony has been a key figure in residential lettings since 2008, bringing a wealth of knowledge and a hands-on approach to property management. His passion for real estate and commitment to exceptional customer service have led to an impressive 90% client retention rate. Tony believes in treating every property as if it were his own, ensuring that both landlords and tenants receive the highest level of care and professionalism.

Jayson's career spans advertising, property development, and real estate sales and lettings in both the UK and UAE. With seven years as a Sales Director in advertising and twelve years as a Project Manager in residential development, he brings expert marketing, negotiation, and project management skills to the table. His experience with high-end properties ensures that every home is presented and promoted to its full potential.

Together, Tony and Jayson provide a comprehensive property service, covering the entire West Midlands, with Birmingham as their stronghold. Whether it's a first-time rental, a large-scale investment, or a luxury sale, their expertise and client-focused approach make them the go-to professionals in the region's competitive property market.
