RESOLUTIONS NOTICE
Anishinabek Nation Grand Council Assembly
June 2-4, 2026
Valhalla Hotel, Thunder Bay

Resolutions are the essential mechanism by which First Nations provide specific mandates and direction to the Anishinabek Nation. The resolutions process serves to effectively foster and capture consensus among Anishinabek First Nations.

Submitting a Draft Resolution

58. Where possible, Anishinabek First Nations who wish to bring forward a resolution should submit their draft resolution to the Anishinabek Nation Resolutions Committee (see notice of Assembly for submission details) at minimum fourteen (14) days prior to the Assembly;

In compliance with this, **the deadline for submission of resolutions is Tuesday, May 19, 2026**, meaning any resolutions submitted beyond this date will be considered late and must go through that process.

Submission of a Resolution:

Resolutions should be submitted by a Chief or duly mandated proxy of a First Nation and must include the name and First Nation of a seconder, who must also be a Chief or duly mandated proxy of a First Nation.

Both the mover and the seconder of a resolution must be available to speak to the resolution at the Assembly. If the mover and/or the seconder of a resolution are not able to speak to the resolution, the resolution may not be considered.

A resolution template is enclosed. **Draft resolutions must be submitted by Tuesday, May 19th, 2026 at 4:00pm to:**

A Resolutions Committee will oversee all administrative aspects of the resolutions process from the time a draft resolution is submitted until the time a draft resolution is finalized. The Resolutions Committee will review a resolution for quality control (format, grammar, and consistency).

Once the draft resolution or revised draft resolution is approved by the mover, the draft resolution will return to the Resolutions Committee for review and quality control. After the Resolutions Committee has completed a review, it will be distributed electronically.
