## The Pink Beach Club. Seasonal fare with ocean views.

### The Pink Beach Club at The Loren

Begin your day with breakfast as the sun rises over the Atlantic, and return later for long, leisurely lunches that drift into dinner and cocktails under the stars. The Pink Beach Club's open-air setting captures Bermuda's laid-back charm, while its refined cuisine celebrates the island's natural abundance.

Our culinary philosophy is simple: source only the best and freshest ingredients, prioritizing local and seasonal produce whenever possible. From ahi tuna caught just offshore for our poke bowls to farm-fresh mushrooms folded into delicate ravioli, every dish is designed to complement a perfect day spent by the sea or poolside. Menus evolve with the seasons, ensuring each visit brings a new taste of Bermuda's bounty.

Club Loren members enjoy exclusive benefits, including discounts on all dining experiences at the Pink Beach Club, as well as catering packages, private events, and cabana rentals—making every moment at The Loren that much more memorable.
