THE LOREN ROOTS IMPERATIVE is a reforestation non-profit created to help us give back to the world more than we take from it. We'll achieve this by acquiring over 50,000 bio-diverse acres and planting 10 million hardwood trees consuming over ten times the carbon dioxide we produce. A 2% contribution will be added to your bill—a small amount towards helping make a very big difference.

Eating raw or undercooked fish, shellfish, eggs, or meat may increase the risk of food borne illnesses. If you have a food allergy, please notify us.

All prices subject to 17% service charge. A 20% service charge will be automatically added to parties of 8 or more.
