*consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness, especially if you have a medical condition.

20% gratuity added to parties of 6 or more.

The Loren Roots Initiative is a reforestation non-profit created to help us give back to the world more than we take from it. We'll achieve this by acquiring over 50,000 biodiverse acres and planting 10 million hardwood trees consuming over ten times the carbon dioxide we produce. A voluntary 2% contribution will be added to your bill - a small amount towards helping make a very big difference.
