# Admission Process

## Oakdale Campus, Wadakpally

### Submit an Enquiry Form

Start by filling out the online enquiry form.

You will receive an email with links to schedule your school tour and an optional online registration form.

Parents are also encouraged to check the available transport routes during this stage to ensure convenient connectivity.

### Schedule Your School Tour

Choose a convenient date and time for visiting the campus.

### School Tour, Orientation & Induction Programme

Visit the campus on your scheduled day for a guided school tour and an orientation session.

The Induction Programme helps us understand your child's learning style, interests, strengths, and areas where they may need support—allowing us to better plan and accommodate their learning journey from day one.

Please carry the following on the day of your school tour:

- Birth Certificate of the child
- Aadhaar Card of student, mother, and father
- Passport-size photos of all student, mother, and father

### Personal Interaction

Meet with the Principal and Admissions Team for a friendly conversation.

This discussion helps align expectations, understand your child's needs, and explore how school and parents can work together for their holistic growth.

### Confirm Admission

After your application is reviewed and a seat is offered, confirm your child's admission by completing the enrollment and paying the first-term fee within 7 days of receiving the admission confirmation.

# Admissions 2026 – 27
