

Admission Process

1 Submit an Enquiry Form

Begin with submitting the online enquiry form; you'll receive an email with details of the admission timeline. At this stage parents can also review age criteria and available transport routes. As the admission window approaches, you'll receive a link to submit the Application Form, followed by an option to schedule a school tour.

2 Schedule Your School Tour

Select a convenient date and time to visit the campus and get an overview of our learning environment.

3 Orientation, Induction Programme & Personal Interaction

Orientation, School Tour and Personal Interactions will be planned on the day parents visit the school.

4 Personal Document Submission

On the same day parents also submit a written Application along with the child's and parents' Aadhaar cards and passport-size photos and the child's Birth Certificate.

5 Confirm Admission

Upon completion of the Personal Interaction parents will receive a confirmation email with a fee payment link.
