

SURROGACY

MATCHMAKER

CANDIDATE PROFILE

Overview

This candidate is a 34 year old wife and mother of four living in Los Angeles. She has an extensive educational background in nutrition, and decided to pursue her first surrogacy journey after a family member underwent the process as an intended parent.

SURROGACY

MATCHMAKER

Lifestyle and Personal Background

This candidate leads an extremely active and healthy life. Her husband works in investing banking following graduation from Harvard Business School. She is a part time stay at home mom and also manages online education content focused on nutrition and health.

She is a yogi and marathon runner (but is willing to stop running while pregnant) and focuses on nutrition. All four of her children are healthy and play actively in their neighborhood.
