

Accessories

A wide range of accessories to complement the Amino STB range at deployment or for refurbishment and spares.

Set-top box accessories

Amino offers a wide range of accessories that can be ordered as 'in-the-box' customer configurations or as after sales upgrades and spares, or for refurbishment. These include:

Remote Controls

Amino set-top boxes (STBs) support a Universal RC that controls the STB + TV.

Power Supplies

Product and country specific power supplies are available for the entire STB range.

Infrared Extenders

The infrared receiver on Amino STBs can be extended with an IR dongle mounted in an out of sight location.

AV Cables

Amino STBs are equipped with HDMI, Ethernet and analogue outputs. This allows the specification of various cable configurations to meet specific customer requirements such as Composite, Component (YPrPB) or HDMI.

Remote Controls

IR Controls
