GOVERNANCE | RISK MANAGEMENT | ASSURANCE | OPERATIONAL EXCELLENCE

**From spreadsheets
to smart systems,
IRIS makes
governance easier.**

A close-up photograph of a hand holding a gold coin, poised to drop it onto a chessboard. The background is filled with other gold chess pieces, creating a sense of wealth and strategic decision-making. A dark, semi-transparent banner is overlaid across the middle of the image, containing the text.

IRIS

An Integrated Risk & Assurance Platform By RiskTech & Advisory

our flagship GRC Platform

Iris, your all-in-one GRC platform for proactive risk management, real-time insights, and seamless compliance solutions.

Why IRIS?

(Problem Statement)

- Many organisations manage risk, compliance, and audits on spreadsheets.
- Global GRC platforms are priced in FX and often don't fit local market operational realities.
- This creates high costs, complexities, and limited adoption.

Our Advantage

- ✓ Local Solution, Local Pricing – no FX exposure.
- ✓ Experienced team with multi-industry market experience.
- ✓ Designed for African regulatory & operational environment.
- ✓ Cloud-based, secure, and accessible anywhere. GDPR Certified.
- ✓ Fast deployment & intuitive user experience.
- ✓ Scalable for SMEs and large enterprises alike.
