ABOUT US

At Balance Point Creative, we believe that the most powerful ideas live at the intersection of artistry, strategy, and technology. Founded by Bryan Maiorana and Biswajit Malakar, our company brings together more than 35 years of combined experience.

We specialize in audio & video production, digital marketing, creative direction, studio start-ups and construction, as well as AI and emerging technologies. This full-circle approach allows clients to move seamlessly from concept to execution.

Whether it's producing engaging video campaigns, building state-of-the-art studio environments, or developing digital strategies that scale, Balance Point Creative offers one point solutions designed to perform.

OUR MISSION IS SIMPLE YET POWERFUL:

To provide creative balance for corporations and enterprises by delivering all-in-one, full circle creative services. We help brands and organizations tell their stories, connect with audiences, and harness technology to achieve lasting impact.

BALANCE POINT CREATIVE.
ONE POINT. EVERY SOLUTION.
