## SLT Meeting

Date: Wednesday, March 4, 2026 3:00-4:30 pm (meeting #6)

---

### Agenda:

- Observing our MOY Data
  - Misc. (if time permits)
- 

### School Updates:

- updates from Dr. Nat
  - ELA K-2 is 37% our A we only went up 2 percent. We are 13th out of all the schools, we are at the bottom.
    - We are going to have K-2 observe 3-5 classrooms so there is a cohesiveness between the grades.
    - Dr. Bracey is going to push-in to O’Malley Hernandez for K. Evans and Marrero for 2nd
    - We are 14 out of 17 schools, we did not meet the target for K-2. We are going to have more coaches come in to help them.
    - Jamie from the district is going to be coming in on Wednesdays to help K-1 to help with their GTM.
    - We are 51.2% overall. We are number 1 in the district. We are 6 out of 24 to increase our Special Learners.
    - 3-5 in ELA Simulations 3rd were first, 4th were 3rd, 5th were 4th. We are the top 5 out of the district. 3r3, 4r5, 5r5 are standards for concerns.
  - Connie will be coming in to do celebrations for K-2
- updates from Dr. B:
  - On March 30th we have 3K-2 Assembly
- updates from Ms. O’Malley
  -
- updates from PA

- Picture day is coming up March 9th, these pictures are different from the cap and gown pictures. On March 9th it is a class picture, everyone should dress nice. Cap and gown proof selection is due March 11.
  - St. Patricks Day shirts are going to be made.
  - Easter Egg hunt might be happening
  - There are office hours for PTA, the hours are posted on the door. If a parent needs to speak to them please have them go during those hours.
  - Can parents post on DOJO? Can they use a different email other than the DOE email?
  - Can PTA have access to phone numbers to contact about pictures?
  - Schedule for pictures ideally start with 3K, wait until your class is called down. There are 3 photographers, class photos will be first followed by students taking individual photos.
  - We have a new Title 1 person Samatha Z
- updates from Mr. Jourdan
    -
  - updates from Ms. Maybelline

### Notes:

- UFLI is teaching kids about the science of reading whereas F&P is teaching them how to do strategies of looking for clues and not the sound of the letters.
- Kids are not reading as many books as they used to, K-2 has scheduled 15 minutes of reading independently. Two days out of the week kids will need to do a short response.
- What are we giving our kids so they are able to grow when they come to school?
