

Peckwater Brands LTD, trading as Sin City, works to ensure that the ingredient information on our website is accurate. Allergy data detailed on the website has been derived from specifications obtained from our suppliers. Product specifications and recipes may change periodically. The data provided is based on the standard garnishes and accompaniments included on the menu.

Whilst we have taken all reasonable steps to ensure that our allergy data is accurate, our kitchens do use allergenic ingredients and we do not have specific allergen free zones, therefore there is a possibility that allergen traces may be found in any of our dishes. We cannot guarantee your order is 100% free from any allergenic ingredient.

There is significant risk of cross contamination in our deep fat fryers.

Meals which have 'contains' information include ingredients with this allergen intentionally present.

Meals are only Halal if cooked in a Halal certified kitchen, as well as being indicated as such on this chart.
