Item 4: Other Business Activities

Tyler Bennett is a licensed insurance agent. It is anticipated that a small portion, less than {10%} of his time, will be spent providing these insurance products. In such capacity, he offers insurance products and receives normal and customary commissions as a result of any purchases made by clients. The client has a right to purchase insurance through Tyler Bennett on a commissionable basis. The potential for receipt of commissions and other compensation gives him incentive to recommend insurance products based on the compensation received, rather than on the client's needs. This creates a conflict of interest with clients. To mitigate this conflict, disclosure is made to the client at the time purchase is made, identifying the nature of the transaction or relationship, the role to be played and any compensation {e.g., commissions, trails} to be paid by the client and/or received by the insurance agent. Clients have the right to decide whether to act on the recommendation and the right to purchase any insurance

products through the Firm or Mr. Bennett.

Item 5: Additional Compensation

Tyler Bennett does not receive additional compensation through any additional business activities.

Item 6: Supervision

Supervision is conducted by the Chief Compliance Officer, John Creekmur, who is responsible for administering the policies and procedures. As Chief Compliance Officer, John Creekmur reviews those policies and procedures annually for their adequacy and the effectiveness of their implementation. All policies and procedures of the firm are followed.
