FLOW Q

EN

Experience the timeless elegance of Flow — a design that combines aesthetics with practicality. With its horizontal alignment and delicate lines, Flow sets architectural accents. The slender side elements create a noticeable lightness in contrast to the strong shelves. Together, they impress with their stylish durability. Open and closed elements support this balanced presence in the room. Narrow drawers and high flaps facilitate organization and offer the unique opportunity to choose the opening direction of the boxes according to personal preference. It meets your demand for a combination of aesthetics and functionality, whether free-standing in the room or positioned against a wall. Give your living space class and your office the necessary structure in the form of elegant timelessness.

DE

Erlebe die zeitlose Eleganz von Flow — ein Design, das Ästhetik mit Nützlichkeit verbindet. Durch die horizontale Ausrichtung und zarte Linienführung setzt Flow architektonische Akzente. Die schlanken Seitenelemente erschaffen eine spürbare Leichtigkeit im Kontrast zu den kräftigen Böden. Gemeinsam überzeugen sie mit stilsicherer Beständigkeit. Offene und geschlossene Elemente unterstützen diese ausgewogene Präsenz im Raum. Schmale Schubkästen und hohe Klappen erleichtern die Organisation und bieten die einzigartige Möglichkeit, die Öffnungsrichtung der Boxen nach persönlichem Wunsch zu wählen. Ihrem Anspruch auf die Verbindung von Ästhetik und Funktionalität wird es frei im Raum stehend genauso gerecht wie an einer Wand platziert. Schenken Sie Ihrem Wohnraum Klasse und Ihrem Office die notwendige Struktur in Form eleganter Zeitlosigkeit.
