Subject: Guard-Rite™ Protective Linings Application Approval

Pascal,

This letter is to formally confirm that Elastomont is an approved rubber lining applicator of American Bilrite Guard-Rite™ Protective Linings.

Elastomont has demonstrated the technical expertise, application knowledge, and quality assurance standards required to apply Guard-Rite™ rubber linings in accordance with American Bilrite's specifications and performance expectations. As such, Elastomont is authorized to install these products for a wide range of abrasion and corrosion-resistant applications.

American Bilrite is confident in Elastomont's capabilities and their commitment to delivering high quality workmanship as they follow standards such as ASTM, SSPC/AMPP.

If you require any further information, please do not hesitate to contact us.

Sincerely,

Buck Meadows MBCP™, PMP®, CSE®
