To Pascal Lebeau:

This letter of Approved Applicator is awarded to:

Elastomont Inc.
46 De l'Industries
L'Assomption, Qc
J5W 2V1

RubberSource specializes in the design and manufacture of Protective Rubber Linings for chemical and abrasion-resistant applications. With proprietary Permabond® catalogue (formerly Uniroyal Permabond®) of proven uncured rubber compounds, rubber technologists, chemists, state of the art laboratory, in-house mixing, and calendaring, we are equipped to handle any requirement.

RubberSource has set a new standard of service by partnering with rubber applicators, engineering firms and end users, providing project advice with technical experience, and expertise in the form of material recommendation, specification and project scope writing, global applicator referral and training.

Elastomont Inc. has proven to meet and exceed the commitment to quality, health and safety training (including working at heights and confined spaces) and dedication required by RubberSource Inc. to receive this letter of approval.

Sincerely,
