

river

River Health is a primary care and behavioral health service. We offer doctor's office visits, virtual care, talk therapy, prescriptions, and more.

No copays • No deductibles • No hidden fees

Our Services

Unlimited Virtual Primary Care: Enjoy the peace of mind of having a dedicated virtual primary care provider who will see you when you are sick, manage prescriptions, and coordinate referrals.

\$0 Prescriptions: River Health prescribes and delivers prescriptions to your doorstep for \$0. You will get quality and affordable medicines with a formulary of over 700 medications when needed.

Mental Health Care: Get behavioral services like ongoing treatment for anxiety, depression, mood disorders, and more. Schedule a one-on-one virtual visit with a licensed mental health professional in your state. If medications are right for you, we will ship them to your doorstep.

\$0 Doctor's Office Visits*: See a doctor in person at any of our 25,000 partner providers, clinics, and urgent care location across the country for \$0. There are no copays, deductibles, or hidden fees.

\$0 Lab Testing: Enjoy \$0 lab tests at any of our 6,000 partner labs or request private at-home lab testing at no additional cost.

Free Wellness Perks: River provides wellness services like a free premium Calm subscription and periodic yoga passes to our members for free!

***limited to 3 in-person visits every 12 months. \$99 after that.**
